Assistant Clerk of the course: Andy McClurg

Chief Marshal: Harold Nickerson

Chief Technical Officer: Harold Nickerson

5 Eligibility: Riders holding a current ACU licence and or a One event licence . Machines: as per 2024 ACU handbook. Each category has specified age restrictions and skill level guidance. Riders who finished top 3 in either a novice class or intermediate class in the 2024 ACU British Vets Championship must move up a skill level for 2025. eg if Novice previously then they must move to intermediate or if intermediate previously they must move to championship class. If a rider who has been moved up a skill level class previously , they may move back down if they wish as long as they finished outside of the top 15 in their class in the 2024 ACU British Vets Championships event.

Solo machines as per 2025 ACU handbook ***With the expectation of the electric bikes as these are not permitted to race in any of the classes***

For the ACU British EVO Championship Classes

EVO for bikes aged between 1980 - 1989

Super EVO for bikes aged between 1990 and 1999

6 Course: Drop gate start with live engine, clutch type on undulating land 1.8km lap distance. Once a rider has taken his position at the start gate, he cannot change it. A rider is deemed to be under starters orders having been called to the start line, the starter will hold up a green flag from which moment the riders are under his control, until all riders are on the start line. When all the riders are on the start line, the starter will hold up a 15 second board for a full 15 seconds. At the end of the 15 seconds, he will hold up a 5 seconds board and the gate will drop between 5 and 10 seconds after the 5 second Board is shown. No one except **RIDERS** and **OFFICIALS** shall be permitted to the area of the starting gate.

Some races will have 2 classes racing at the same time with each class having its own gate drop. The first class will take starters orders and start their race as described above. The second class of riders will line up behind the start area ready to take up their position on the start gate. Once group one has gone they move into position and take their starters orders 20 seconds after the gate has dropped for the first class. Each class is scored separately with the race distance being the same for each class. (5 laps)

Riders must complete **1 lap** to be classed as a finisher.

For the ACU British Vets Championships classes all races will count towards the total points score which will determine the championship positions.

For the EVO Championship classes each Round will be scored separately. Round 1 will be on day one and the points from the 2 races will be totalled up to decide the results for Round 1. Round 2 will be on day two and the points from the 2 races on this day will be totalled up to decide the results for Round 2

Points will be awarded in the following order for positions 1 to 40

45,40,38,37,36,35,34,33,32,31,30,29,28,27,26,25,24,23,22,21,20,19,18,17,16,15,14,13,12,11,10,9,8,7,6,5 , 4,3,2,1

If a tie occurs on points scored , it will be resolved on the highest place in the last race. If this fails to decide a tie it will then be decided by the highest place in the second to last race

If a meeting is stopped or abandoned for reasons of safety or force majeure, every race completed will count towards the championship results.
